e-books go mobile!

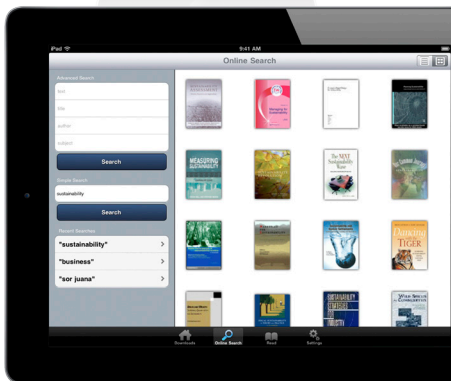

a ProQuest® business

Instructions:

Before using the ebrary app:

1. Go to your ebrary site via a browser
 - Sign in to your personal ebrary account
 - Custom sign-in page? You'll need to use Facebook sign-in for the app, configurable under "My Settings"
2. Create an Adobe ID (if needed) at www.adobe.com/cfusion/membership

Getting started on the app:

1. Search for ebrary in the App Store
2. Download and launch the free app
3. Sign in to ebrary (or Facebook) and Adobe
4. Explore your library's e-books
5. Use your own PDF files by:
 - Emailing documents in PDF to the mail account you use on your device
 - Tapping and holding the attachment
 - Select "Open in" then select ebrary

Your documents will be displayed on the "Downloads" screen. You can also import documents through iTunes®.

For help, visit support.ebrary.com, or see the user guide in the app.
